

TOP SECRET

DAILY STAFF MEETING

Wednesday, 27 June 1951

Mr. [] noted that:

c. The Agency will run on a Sunday schedule on the 4th of July.

d. The ONE paper on "Adverse Economic Effects On Non-Communist Countries of an Embargo on Trade With China", published for internal CIA consumption, is being sent direct to the Members of the IAC.

The submission and control of the CIA budget was discussed and in particular budgets submitted by OPC. It was noted that budgets of the various offices submitted in the past were not too well coordinated within the Agency, and it was the opinion that possibly PRC should act as a Policy Control Board on budgetary matters.

Mr. Reber reported a favorable discussion between [] and representatives of the overt offices, regarding requirements and production. He plans to hold further discussions between [] and the overt offices.

Mr. Reber also reported that the Psycho Paper, distributed at the last AD's meeting, had been concurred in by the Assistant Directors.

Mr. [] asked Reber to coordinate within CIA Langer's proposal on intelligence studies before the proposal was presented to the IAC.

Mr. [] indicated that the matter of CIA Telephone Operators and Chauffeurs was in hand and also that he had been discussing with OPC the volume of paper work turned out by that office.
